

The diagram illustrates the layout for a book cover. It features a light blue background with a rounded rectangle containing a grey area. A purple rectangle is centered within the grey area. Two black arrows intersect at the center: a vertical one pointing up and down, and a horizontal one pointing left and right. The text '54 x 85' is positioned to the left of the vertical arrow. The word 'COVER' is centered below the horizontal arrow. Below 'COVER' is a paragraph of instructions regarding artwork bleed-off.

54 x 85

COVER

Please ensure that any artwork bleeds off to the edge with a 3mm bleed and that any artwork or text that is not to bleed off is within the grey area

BACK COVER

Please ensure that any artwork bleeds off to the edge with a 3mm bleed and that any artwork or text that is not to bleed off is within the grey area
